s	OURCE:					
	 In January 1953 the Supply Service of the Chinese Communist Mongolian-Suiyuan Military Region, lin conjunction with the Mongolian-Suiyuan Joint Construction Work Bureau, undertook a military construction program in Kueisui (N 40-47, E 111-37). By 20 May an initial investment of JMP 25 billion had been put into this enterprise. To be constructed are an arms repair plant, an auto repair factory, an army food depot, a firing range, a military region hospital with a proposed capacity of 280 beds, and a uniform and bedding factory with a proposed annual production sufficient to meet the needs of 30,000 men.
